Sleeps 4
3 Star rated

DESCRIPTION

This cosy traditional two bedroom Lakeland cottage is beautifully situated in the Great Langdale valley where there are numerous walks to suit all abilities and ambitions. The views of Lingmoor Fell across the valley and the Langdale Pikes further up the valley are spectacular.

The cottage is set well back from the valley road which is reassuring for families with young children. There is a large communal area of grass in front of the cottage below which is the off road parking area with one dedicated parking space for each cottage.

Lingmoor View is no more than a few minutes walk from the village. Elterwater is a little further but still within easy walking distance. There are pubs in Chapel Stile and Elterwater and others in the area all of which serve excellent bar meals.

ACCOMMODATION

There is a double bed in the front bedroom and two single beds in the back bedroom.

There are night storage heaters in all rooms including the bathroom. Additional electric heating appliances are available in case of need.

There is an open fire and a colour television and video recorder in the cosy sitting room.

The fitted pine kitchen / diner is well equipped and incorporates a Neff oven and hob, microwave and fridge with freezer compartment.

There is a washing machine and tumble drier in the utility area.

The three piece bathroom suite is supplemented by a wall heater, heated towel rail and shaver point. There is an electric shower over the bath.

The Langdale valley is one of the best fell walking areas in the Lake District and is an ideal base for a holiday. Windermere, Coniston Water, Grasmere and Rydal Water are only a short drive from the cottage. The other lakes, although a little further afield, are readily accessible.

If you decide to book we have every confidence that you will enjoy your stay as we regularly receive accolades from satisfied visitors.
